WORD FROM DIRECTOR

We are in an amazing hour and this year 2007 will be a pivotal series of moments in time that will truly make a mark in the Kingdom of God and the kingdom of man. We must therefore PREPARE. Prepare the way of the Lord, prepare our hearts and prepare all God's people for the prophetic fulfillment of what God has said and He will do. God is not a man that He should lie... We must therefore guard our hearts from unbelief. Faith is the crux of what our relationship with God is based upon. Hebrews 11:6. So this year our desire is to encourage all of God's children to Trust your Father. We pray that with spiritual eyes you will see, with spiritual ears you will hear and with your heart trusting in God you will begin to expand your capability to comprehend and believe God for what He is about to do in your life, in the Body of Christ and in the world, THIS YEAR 2007!

The Carpenter

This year's play is about Jesus being on trial and the witnesses have come to testify about "The Carpenter" This original script is the latest in the WIM musical dance theatre.

It is a great witnessing vessel so please encourage your friends and neighbors to attend. If you attended last years "The Lamb" then you won't want to miss this one. We are presently casting for certain roles so if you or someone you know has a heart for drama and would like to be apart of this production please contact us for an audition. Saturday March 31 @ 7pm Sunday April 1 @ 6:30pm

"We Speak to Nations"

The first time I visited Mission fest I went as a spectator to see what it was all about and I was so overwhelmed by what I encountered. I knew that churches linked with organizations to go on Missions trips, I knew that some people actually felt the call to certain Nations and went there to be full time missionaries, I also knew that churches sponsored missionaries all around the world, but what I saw and experienced at Mission Fest changed my perspective forever. There were so many organizations that had made Missions their mandate and rightful so, as Jesus in giving His final instructions told us how the world would be converted. Matthew 28:19 "Therefore go and make disciples of all Nations ..."

What really stuck in my heart wasn't just the amount of mission organizations but the quality of excellence of each one. I was amazed to see how easy it has become for anyone who truly has a heart to fulfill the commission that Jesus gave us as His disciples, to actually participate in missions. I was educated through the many workshops, the high caliber and anointing of speakers and the rich information and resources I accumulated at the Exhibit Hall.

Since my first visit they have incorporated many specialty conferences within Mission fest. This provides something for everyone. This year they have a women's conference, business, youth, media and Arts and the most awesome children's program to educate children about missions. My children loved it last year.

I would encourage you to take the opportunity and become involved with Mission Fest, whether it is to attend or to volunteer.

They have also been privileged to learn from some of the best counselors, Christian marriage specialists and marriage resources over the years and have a real heart to keep marriages in motion towards that goal of two becoming one. We are having a few information meetings in regards to the re-launch of this ministry that has impacted and affected so many marriages.
