DIRECTOR'S MESSAGE

Grace and Peace be unto you. We have entered into an amazing time, a time that will only be a short portal for many. During this season the Lord is saying **"No Limits, No Boundaries"** He is asking us to let Him be all and everything to us. For many of us this is a very scary thing. To fully let Jesus be Lord over everything. Are you ready to release your finances to Him? Your decisions, your family, your ministry? So many of us will quickly say "yes" without even considering the cost. But this season is a season for counting the cost for saying "yes" and realizing that for every "yes" you answer to God that He is able to take care of every "no" that might come your way.

We are so privileged to be in a position to need God, and our ministry asks for your prayers as we continue to say "yes Lord".

The Dancers Prayer

My Heavenly Father
please lift me up
Lord of the dance is your name
Now let our dance begin
Let every dance I dance be yours
We dance across the floor
and I begin to fly
Let the creative in me flourish
And let not my feet cause others to
stumble as we attempt to
dance in unity
And lead us in your divine choreography
For you are the Master choreographer,
and the energy and strength is from You
All the applause and credit goes to You,
Until the final curtain closes
And the final bow is taken
Amen

The Burning Hut

The only survivor of a shipwreck was washed up on a small, uninhabited island. He prayed feverishly for God to rescue him, and every day he scanned the horizon for help, but none seemed forthcoming.

Exhausted, he eventually managed to build a little hut out of driftwood to protect him from the elements, and to store his few possessions. But then one day, after scavenging for food, he arrived home to find his little hut in flames, the smoke rolling up to the sky. The worst had happened; everything was lost. He was stunned with grief and anger. "God, how could you do this to me!" he cried.

Early the next day, however, he was awakened by the sound of a ship that was approaching the island. It had come to rescue him. "How did you know I was here?" asked the weary man of his rescuers. "We saw your smoke signal," they replied.

It is easy to get discouraged when things are going bad. But we shouldn't lose heart, because God is at work in our lives, even in the midst of pain and suffering.

Remember, next time your little hut is burning to the ground—it just may be a smoke signal that summons the grace of God. For all the negative things we have to say to ourselves, God has a positive answer for it
