

Praise Him in the Dance

Worship in Motion

October 2004, Volume 1

Director's Comments

Blessings and Greetings to you, Here we are in October already. Wow, how time is going by so quickly! All the more the reason to rejoice as we know the Lord's time is drawing nearer.

We are in a great season of change here at WIM and are yielding to the changes of God and allowing Him to redirect us again. We are desirous of pleasing God above all else and therefore we have listened and sense that some changes are necessary to allow us to continue to work in the anointing and authority given to WIM by God.

We ask that those of you which may have gotten used to doing things a certain way, brace yourselves and embrace the *new thing* God is doing. The Ministry school is changing and while we adapt to our restructuring process we ask that students and parents please be patient to allow the full effects of the change to occur. We are believing God to do some amazing things this season, so get ready to bless and be blessed.

Blessings,
Charmaine
Director of Worship In Motion Ministry
